Who We Are

The membership of the Union League Club of Chicago founded the Union League Boys & Girls Clubs (ULBGC) on December 26, 1919 and became an affiliate member of the Boys & Girls Clubs of America on February 23, 1920. The ULBGC is independently run by our Board of Trustees, but incorporates national Boys & Girls Clubs programming at all of our facilities.

At our four Chicago area Clubs and Summer Camp, Club programs and services promote and enhance the development of boys and girls, by instilling a sense of competence, usefulness, belonging, and influence. Boys and Girls Clubs are a safe place to learn and grow — all while having fun. They are truly *The Positive Place For Kids*.

Our Mission

Our mission is to promote the social, moral, vocational, physical, and educational development of at-risk youth residing in Chicago.

Our Kids

Union League Boys & Girls Clubs serve 10,252 at-risk youth, mainly low-mid income, from the Humboldt Park, West Town & Pilsen communities.
